

The book cover is a deep blue with a pronounced wrinkled texture. A central, horizontally-oriented label with a decorative, slightly irregular border contains the title. The label is secured by four small, round, gold-colored rivets at its corners. Above and below this central label are two identical decorative borders. Each border is a dark blue, elongated shape with a wavy, undulating top and bottom edge, resembling a stylized wave or a fish-like silhouette. These borders are also secured by four small, round, gold-colored rivets each, positioned at the top and bottom edges. The entire cover shows signs of wear, with some fraying and loss of the blue material along the right edge and corners, revealing a lighter, yellowish-tan underlayer.

TALES
1954

I want to give the oil of joy for tears,
The faith to conquer crowding doubts and fears
Beauty for ashes may I give always:
I'm sure I shall not pass again this way.

I want to give good measure running o'er,
And into angry hearts I want to pour
The answer soft that turneth wrath away;
I'm sure I shall not pass again this way.

To Eileen Richards Boone
An open letter

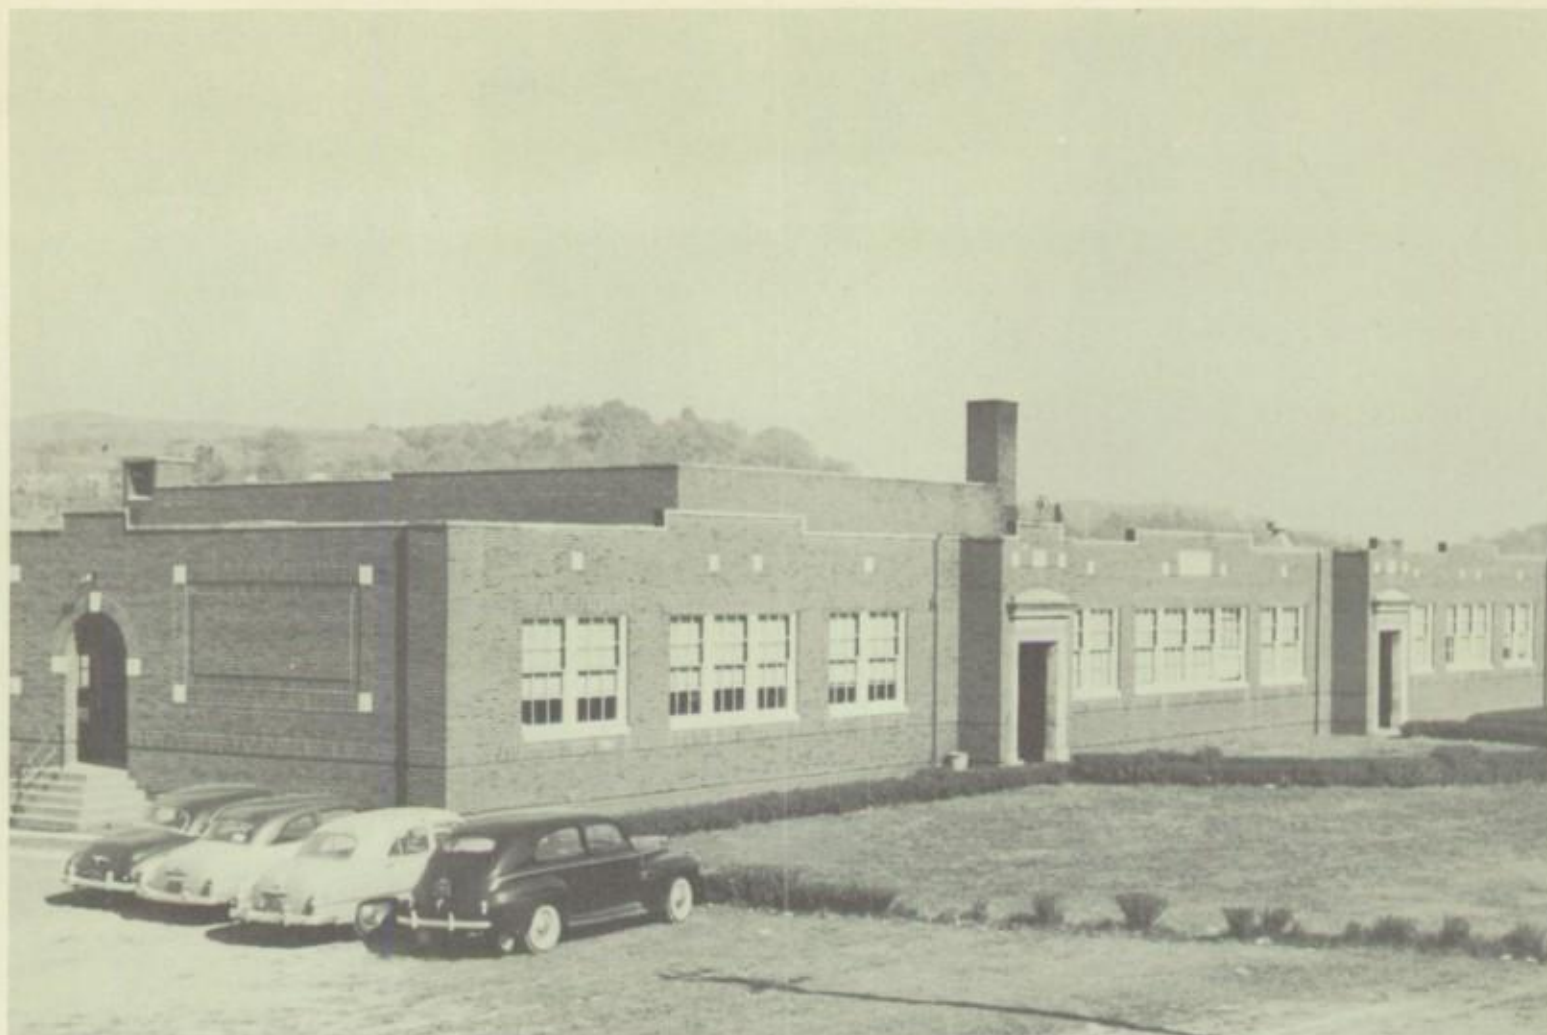

Dear Eileen,

We seniors can't imagine what we would have done without your kindly assistance and cheery presence. We want to dedicate our annual to you, not only for what you have done for us, but for what you have meant to us during our years at Amsterdam.

This school is your Alma Mater, too. You were graduated in the Class of 1933. Following graduation you attended Kent State University. You have been the faithful secretary here at Amsterdam for the last nine years.

We know that you have one daughter, Karen, a member of the Sophomore Class. And that you are now happily married to Harry Boone, a mechanic at the Lockhart Motor Co. in Steubenville.

Sincerely yours,
The Senior Class

OUR ALMA MATER

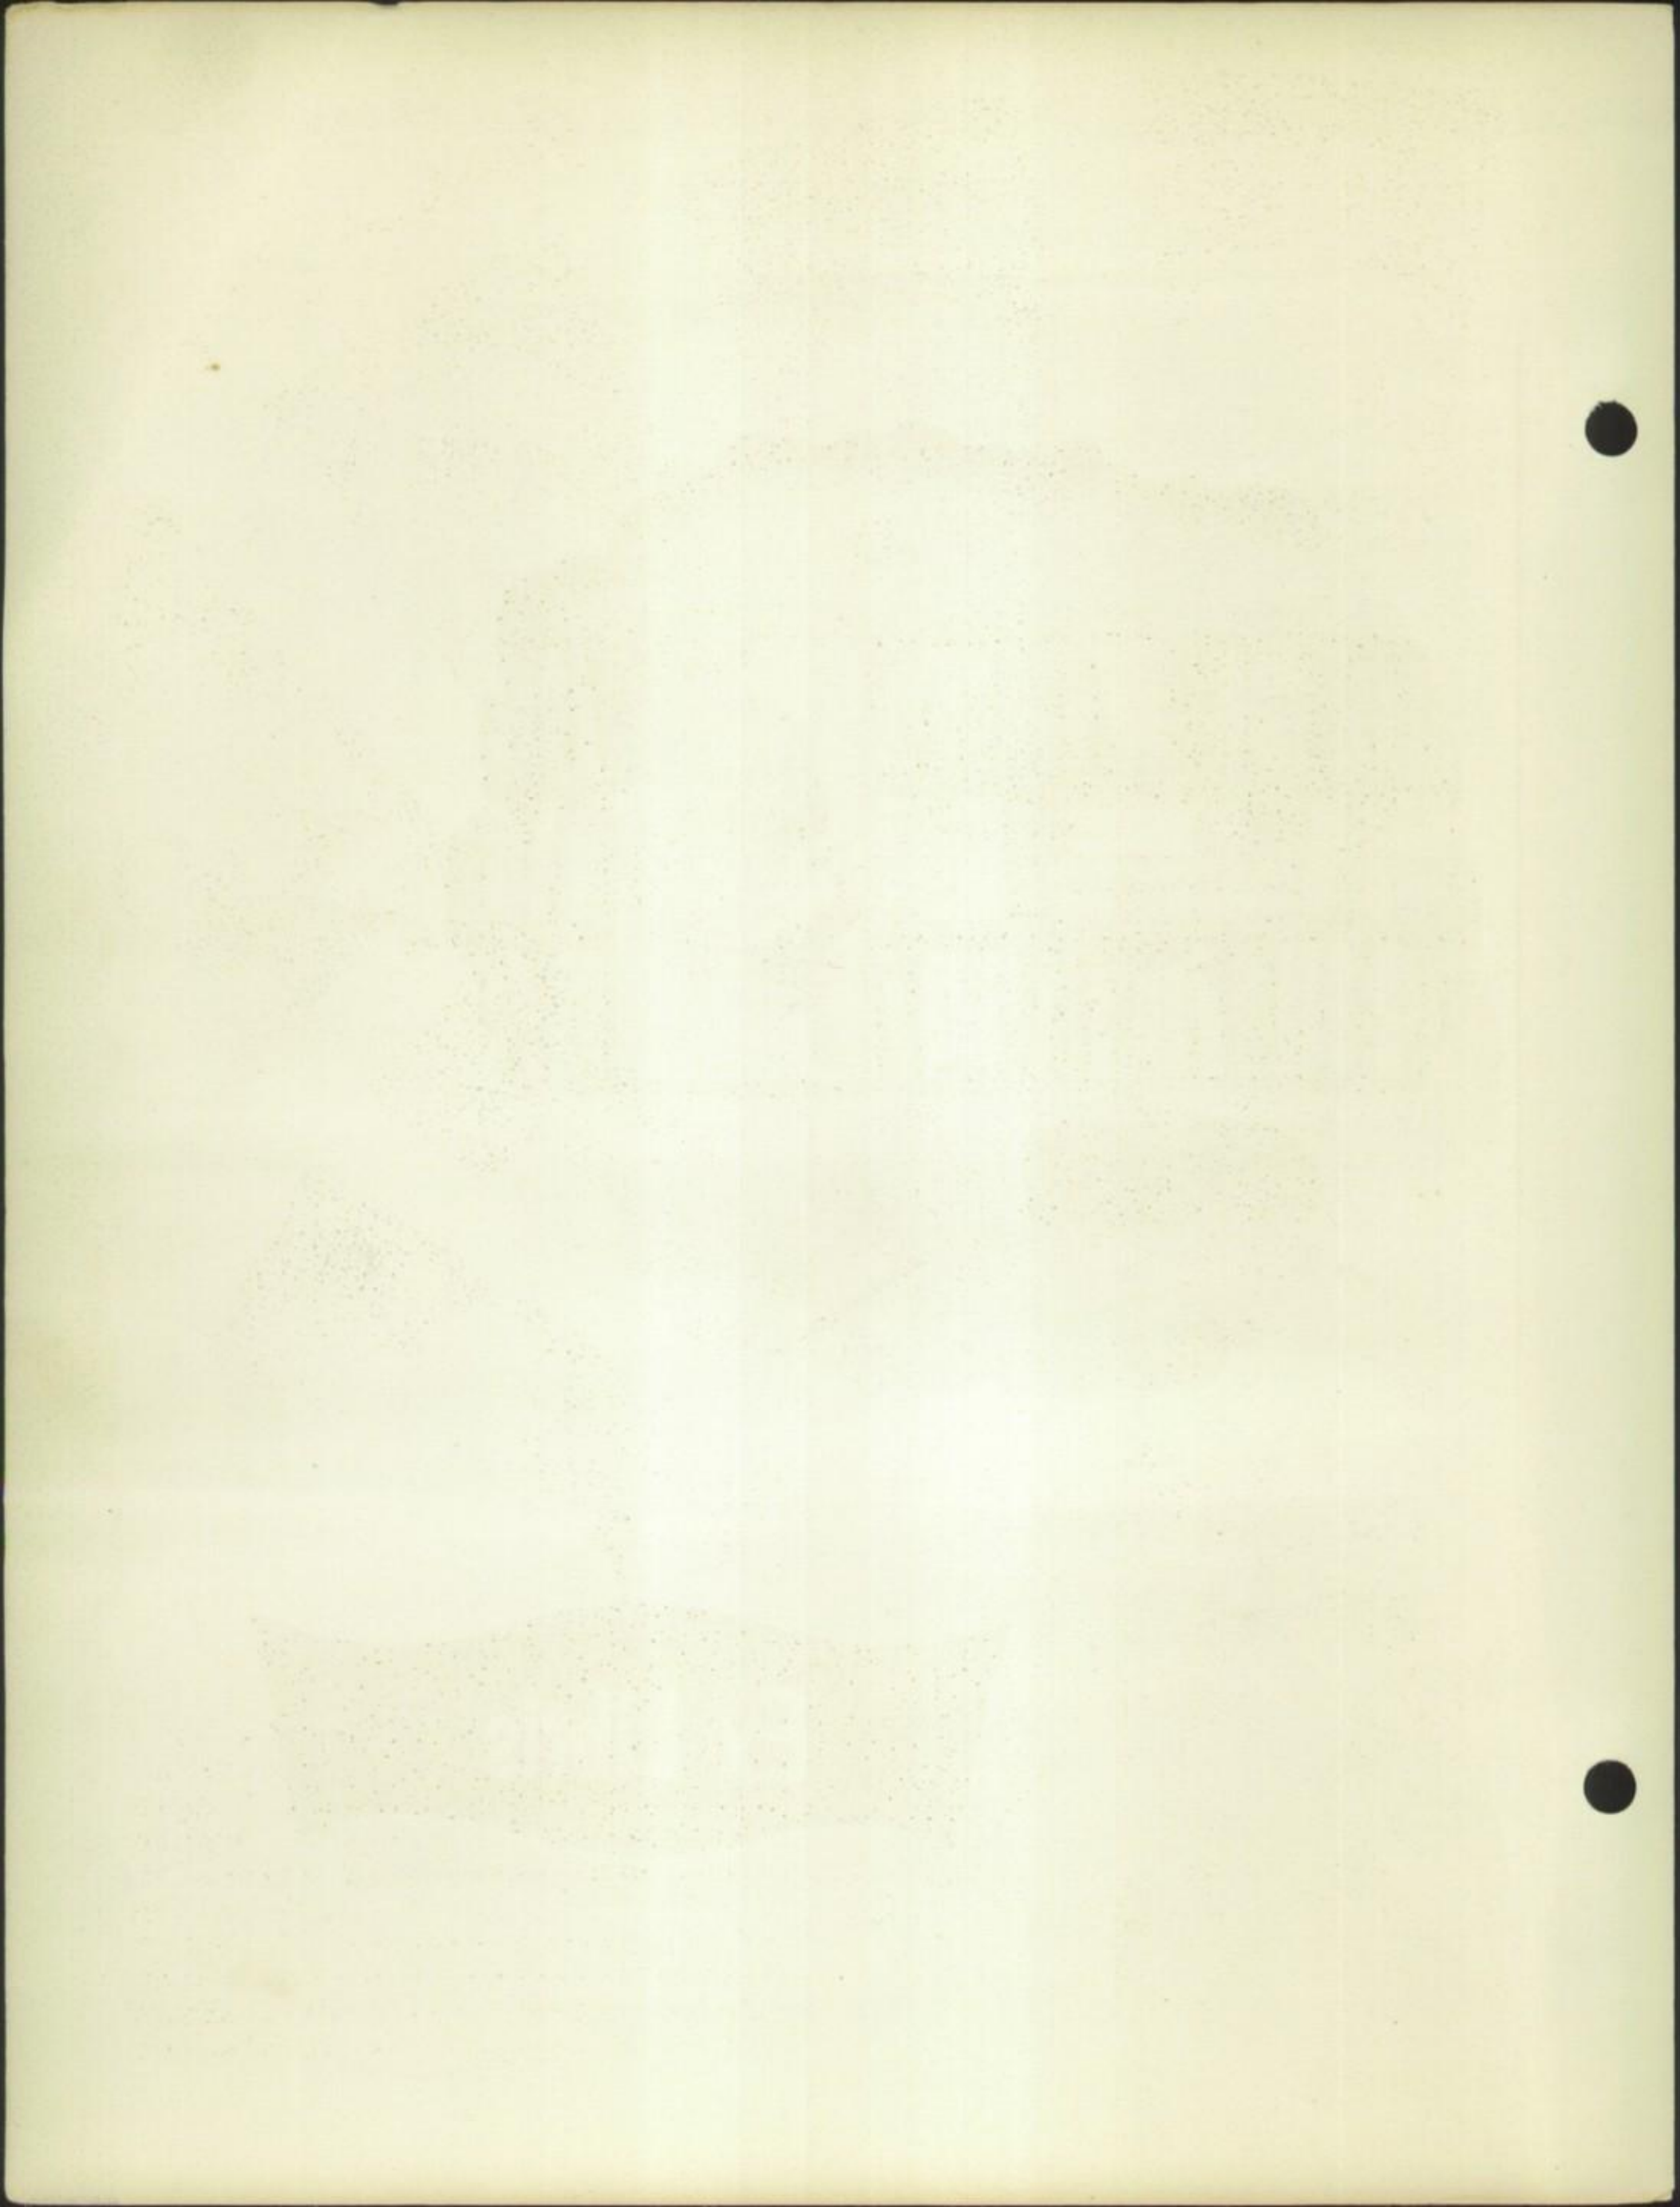

In 1926 the high school was erected. The first Board of Education was as follows: H. F. Polen, pres., William Williams, James Kirkland, Wesley Campbell, and William Baxter. There have been seven superintendents and principals since the school was built. The first principal and superintendent—one person served both offices at that time—was Mr. Zeltman. The rest were as follows: Mr. Huston, who served for 15 years, then Mr. Woolman, Mr. Hartman, Mr. Alley, and Mr. Bailey. The year Mr. Bailey served was the first year that the school was consolidated with Bergholz. Mr. Bailey was the first superintendent of the district. Mr. Buchanan, the first principal of this building, is still holding the position. After Mr. Bailey came Mr. Gregg, who has been the superintendent for six years. There have been only three janitors: Harold Fellows, Mr. Dudgeon, and Mr. Morgan. The first athletic coach was "Peg" Elsesser.

For six straight years this school placed first, in scholarship tests in the county. Each of these years some students went to state and placed high there, there being several first during those years in various subjects. One year the entire school rated third in scholarship contests in the state among 1000 schools in Ohio in our class. In 1936 and 1937 Amsterdam went to state in the basketball tournament and in 1936 were Ohio runners-up. The coach was Don Hogan. In 1936 Bob Anderson was chosen All-State in basketball, a first and only honor for this school.

In recent years the music groups have gone to district and then state and have received superior ratings. In the science field there have been two who have received superior ratings at state. As the result of a superior rating in the state in the Ohio Academy of Science Day Contests, Eleanor Dailey received a scholarship to Ohio State University in 1952.

JOSEPH KMATZ

April 26, 1936 — October 11, 1953

To Joseph Kmatz, a senior at Bergholz, and captain of Springfield's football team, we dedicate this thought.

HE WHOM A DREAM HATH POSSESSED

He whom a dream hath possessed knoweth no more of
doubting,
For mist and the blowing of winds, and the mouthing of
words he scorns;
Not the sinuous speech of schools he hears, but a knightly
shouting,
And never comes darkness down, yet he greeteth a million
morns.

He whom a dream hath possessed knoweth no more of
roaming;
All roads and the flowing of waves and the speediest
flight he knows,
But wherever his feet are set, his soul is forever homing,
And going, he comes, and coming he heareth a call, and
goes.

Honor Society

In order to be in the pictures on this page it was necessary for a student to make the Honor Roll for all three of the report periods of the first semester. It is to be hoped that these same people are still making the Honor Roll at the present time. You can see from the bright and shining countenances that they look as though they belonged.
